

Notary Node Proposal

KOMODO

2018

- **INFORMATION/EXPERIENCIES**

- HI, I have been a computer engineer for 10 years.
- I have 10 years experience managing a data center.
- I have 4 years experience in cryptocurrencies.
- I have some nodes in other coins, for example Dash and Lisk.
- I am very interested in blockchain and crypto technology.
- I have been following the KOMODO platform for more than 1 year.

- **Why vote for me?**

- The nodes will always operate.
- I will be available 24/7.
- I will be fully committed to the work.
- I will develop a phone application to raise awareness about KOMODO.

- Thanks!!!!!!!!!!
